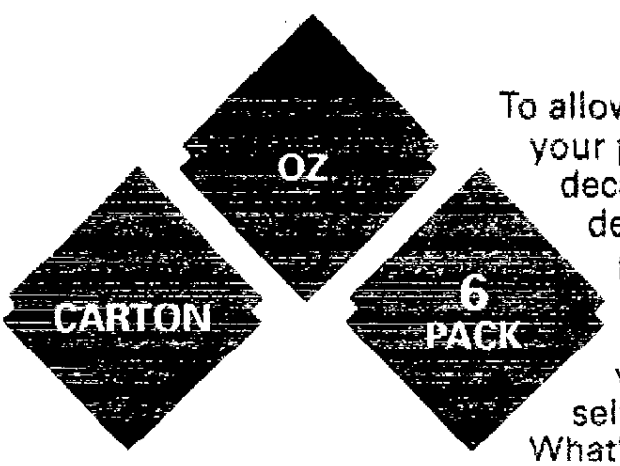
Easy to use decals to customize your message.



To allow you maximum flexibility in designing your promotions a number of convenient decals are included. For example, these decals will allow you to promote either 6 packs, 12 packs or cases of Coke, Pepsi and other beverages. You can also promote either packs or cartons of various products. All of the decals are self-adhesive for long-lasting performance. What's more, all of the signs come with numeral kits to increase your pricing flexibility.
